[What is an Instant Drug Test? \(with pictures\) - wisegeek.com](#)

An instant drug test may screen for one illegal drug, such as THC in marijuana or opiates, although many screen for multiple drugs at once. Instant drug tests may feature panels, or parameters, which describe how many substances the drug test screens for. Three panel, five panel, and ten panel drug tests are common. A ten panel drug test is a very comprehensive drug test because it screens for:
