You can subscribe to this list here I suspect we will see huge class-action law suits similar to those in the asbestos and tobacco industry. Same pattern: knowing the truth, hiding it and fighting evidence. I am optimistic considering the strong message sent by the Nobel Prize Committee which awarded the Nobel Peace Prize to **Smoking Treatment for Ontario Patients (STOP) Program for ...**

About the STOP Program. The overall purpose of the STOP Program is to help reduce smoking in Ontario. To do this, STOP works toward two main goals: (1) increase access to smoking cessation aids for Ontario smokers who want to quit, and (2) enhance capacity in health care settings to deliver comprehensive smoking cessation treatment to patients.

Section 2 Facilitators Guide for a Group Stop Smoking Program

Recruitment to the Stop Smoking program needs to be sensitive to the possible barriers that may make it difficult for women to make this important step. Barriers can include cost, childcare, transportation and stigma. These barriers can be reduced or eliminated by providing the program free of charge and finding ways to support childcare and transportation costs. It is important to find
