Martin Ravallion's website on the economics of poverty The distinguished economic historian Max Hartwell wrote in 1972 that Economics is, in essence, the study of poverty. Alas that is not how most people see economics today. Nor do most students of economics learn much about poverty. This website tries to help make poverty a central theme of economics. While economics is not sufficient for

[The Economics of Poverty and Discrimination by Bradley R...](#)

A three-part organization covers the dimensions of poverty and inequality, causes of poverty, and policy options. For social worker For the past twenty years this book has been distinguished by its relevant coverage, tight organization, multidisciplinary perspective, and timeliness.

[The Economics of Poverty - Hardcover - Martin Ravallion ...](#)

The Economics of Poverty History, Measurement, and Policy Martin Ravallion. Thoroughly synthesizes the economics at play in poverty; Explains poverty in a way that is interesting to people with or without a background in economics; Provides a history of the study of poverty as well as a frank assessment of poverty in today's world What is the relation between discrimination and poverty?

This work explores four categories: the economic arguments, the accounts on dynamic poverty and human development, the theories on social contract and social justice, and finally, those focused on
